Question:

But I don't qualify. How does that help?

Answer:

Great question, by still applying because:

- Your child's school can receive additional funding to enhance the educational experience for all students.
- School fees can be waived or reduced. These include athletic fees, course fees and activity and field trip fees tied to curriculum.
- Students in grades 9-12 can receive assistance with post-graduation planning, scholarships, state and national testing (including SAT, ACT, Advanced Placement and International Baccalaureate), and post-secondary enrollment.
- Families can qualify for additional resources, such as medical, food and cash assistance.
- Families can receive support with community services, such as internet, gym memberships, passes to museums and cultural events.
- If approved, families automatically qualify for P-EBT.*
